

System Components:

1. Solar Panel
2. LED Based Search Lights
3. Battery
4. Charge Controlling Circuit
5. Timer Circuit

System Features:

- ⊙ Secure battery & panel.
- ⊙ Zero operations & maintenance cost.
- ⊙ Long service life.
 - ⊙ More than 10 years for solar panel & LED lights.
 - ⊙ Five years for maintenance for batteries.
- ⊙ 1 Panel, 1 battery & LED lights for 10 * 10 inches area.

CPL Solar Billboard System

Technical Specifications:

- ⊙ **Solar Panel:**
20, 40, 80 watts, Polycrystalline & water proof
- ⊙ **LED search light:**
12 V, 1.5-2.0 Amp, 400 watt equivalent light.
- ⊙ **Battery;**
12 V, 100 Ah maintenance free
- ⊙ **Circuitary:**
Battery protection from over charging & over depletion, on-off timer.
